Commissioner of Land Revenue and Settlement.

Read the following:-

Letter from W. Scott Brown Esq., C.I.E., I.C.S., Collector of Bellary No. Ref. C.4761/38-H1 dated 17th January 1937:-

Survey - Town surveys - Hospet Municipality - maintenance
Surveyor - employment - sanction - requested.

Board's Reference G. 1684-38-1 dated 9th April 1938 and
Board's L.Dis. G. 1684-38 dated 16th July 1938.

Fifteen streets have been surveyed in the Hospet Municipality but the survey is not now maintained as a consequence there are numerous encroachments in all the surveyed streets. Last year the Municipal Council appointed a temporary surveyor and booked about 750 encroachments. The Council has now been able to prevent further encroachments with its present staff. It has therefore, in its resolution No. 331 dated 8th December 1938 sanctioned a

Town Surveyor and two chainmen up to 31-3-1940 and requested me to appoint immediately, a surveyor on -- Rs. 30- 70 and two chainmen on Rs. 12/- each. The Council has also agreed to bear two-thirds of the gross cost on account of this establishment etc.

2. In the interests of both the Government and the Municipality it is necessary to employ a Special Surveyor to maintain the survey already ^{in progress} completed, to book encroachments and to prevent further occupations in the surveyed streets. If possible the Special Surveyor may also survey the other unsurveyed streets one by one. The surveyor whom the Municipal Council recently employed to book encroachments is a qualified Deputy Surveyor and he is available.

I enclose a copy of the Council's resolution and request that the sanction of the Government may be obtained for the Special staff at an early date.

3. The expenditure will be met from the provision in the budget estimate under "7 c. Land Revenue-Land Records-B. Maintenance of Municipal and Union surveys."

4. The Collector is requested to report the details of the service qualifications etc. of the Deputy Surveyor recently appointed by the Municipal Council.
